PROGRAM OVERVIEW

The California Mortgage Relief Program is helping homeowners facing a COVID-related financial hardship get caught up on past-due mortgage, reverse mortgage and property tax payments, and helping to reduce or eliminate partial claim second mortgages and loan deferrals.

The California Mortgage Relief Program has recently expanded to allow even more homeowners to apply for assistance:

- Homeowners who missed at least two mortgage payments OR at least one property tax payment prior to March 1, 2023;
- Californians who own and occupy properties up to 4 units (must be primary residence and own only 1 property);
- Homeowners who took partial claim second mortgages or loan deferrals during or after January 2020; and
- Californians who previously received funding through the program may be eligible for additional assistance up to a total of \$80,000.

The program is absolutely free and the funds do not need to be repaid. Homeowners can check their eligibility and apply through an online portal at CaMortgageRelief.org. Application assistance is available through our Contact Center at 1-888-840-2594, Monday through Friday, between the hours of 8AM and 6PM PST.

FAQs

The below FAQs have been updated to reflect recent Program updates. Please visit the [California Mortgage Relief Program website](#) for a full list of FAQs.

Why is the program important?

The California Mortgage Relief Program is helping thousands of California homeowners get back on track by offering financial assistance to eligible homeowners that does not have to be paid back. This means homeowners who have fallen behind on their mortgage or property tax payments or who have partial claim second mortgages/loan deferrals due to pandemic-related financial hardships can get a fresh start. Homeowners who are approved for these grants should talk with a tax professional about any impact this may have on their income taxes.

How much assistance is available?

For homeowners with a mortgage or reverse mortgage, funding covers the full past-due amount owed to their lender, up to a maximum of \$80,000 per household. Homeowners who are delinquent by more than \$80,000 at the time they submit their application would not be eligible for assistance.

For homeowners who pay their property taxes directly to their county, grants fund the past-due amount that is owed to their county tax collector, up to \$20,000 per household.

The assistance provided through the California Mortgage Relief Program is not a loan and does not need to be paid back. Homeowners receiving these grants should talk with a tax professional about any impact this may have on their income taxes.

If a homeowner already received assistance from the program, can they reapply for more funding?

Eligible homeowners may apply multiple times for any of the assistance options and receive a maximum of \$80,000 in funding, even if they already received a grant from the California Mortgage Relief Program. Once an eligible homeowner has received \$80,000 in total assistance, they will have reached the program assistance limit. You must meet all other eligibility requirements at the time you submit your new application.

FAQs

Who is eligible?

Whether they have a mortgage, a reverse mortgage, or are mortgage-free, the program is open to all California homeowners who meet the eligibility requirements. Homeowners may be eligible if they:

- Missed at least two payments on their primary mortgage and are currently past due; or
- Owe for unpaid property taxes (whether paid directly to their county or as part of your mortgage payment); or
- Have a reverse mortgage and owe their servicer for past due property tax and/or insurance; or
- Have a partial claim second mortgage or loan deferral.

All applicants must meet the following requirements:

- Household income is at or below the county income limit (150% of their county's Area Median Income, based on federal limits set for this program);
- Own and live in a single-family home, condo, permanently affixed manufactured home or property with up to four units; and
- Experienced a pandemic-related financial hardship after Jan. 21, 2020 – either a loss of income or increase in household expenses.

Additional requirements will need to be met depending on the type of assistance needed. More information on eligibility requirements can be found on the [Who is Eligible page](#). For further assistance regarding eligibility, the Contact Center is available to provide assistance Monday through Friday between the hours of 8 AM and 6PM PST.

If a homeowner already applied or needs help in more than one area (i.e., mortgage relief and property tax, or mortgage relief and partial claim second mortgage/loan deferral, which type of assistance should they select in the Application Questionnaire)?

Eligible homeowners are now allowed to receive multiple grant awards, up to a maximum of \$80,000 in total assistance. If homeowners would like to apply for assistance in more than one area, they may select all that would apply in the Application Questionnaire.

FAQs

Can I still apply if I have an active application?

With the program expansion, homeowners who have previously applied to the program may reapply for additional assistance. However, applicants may only have one application in the review process at a time. If your initial application has been approved, declined or canceled, and you have fallen behind again or had another change in circumstances, you may reapply. Any additional applications will not be processed if your initial application is still in the review process.

What information does an applicant need to provide?

A sample list of documents to gather before completing the application includes:

- Mortgage statement
- Bank statements
- Utility bill
- Income documentation (i.e. paystubs, tax returns, or unemployment document)

Depending on their unique circumstances, some applicants will have to provide different kinds of information as well. More information on documents needed can be found on our website on the [Who is Eligible page](#).

Where can I get more in-depth assistance filling out my application?

For questions about your application or questions about the program, help is available through the program's Contact Center at 1-888-840-2594 Monday through Friday between 8AM and 6PM PST.

To see if there is locally available help near you, visit the Community Based Organizations page. For help deciding if this program is the best option for your housing situation, contact a HUD-Certified Housing Counselor (<https://www.consumerfinance.gov/find-a-housing-counselor/>)
